

SAPPHIRE ELECTRIC TAB TENSION SCREEN

The Sapphire Tab Tension Screen is a retracting wall or ceiling screen with tensioning systems to ensure a flat viewing surface to create a theatre level imaging effect. The elastic auto tightening system will completely balance the surface tension making the viewing area as smooth as a mirror surface. Suitable for high end installations where perfection is key! Supplied with a 3 year warranty and 5 year Somfymotor warranty.

- Adjustable channel fixing L-brackets make ceiling or wall installation extremely easy.
- Simple clip on installation is even adjustable left to right.
- The aluminium outer case is stylish and durable.
- Installation is suitable for any flat surfaces, the screens are suitable for entertainment venues, home entertainment use etc..
