- Maintenance free with environmental friendly LED light source lasts up to 30,000 hours

Vivitek's new Qumi Q8 portable projector brings the unique combination of native full HD resolution in one of the smallest form factors

The Vivitek Qumi Q8 is the first Full HD 1080p LED pocket projector. Delivering the big screen experience, it offers a viable alternative to HD TVs. It joins Vivitek's existing Qumi projector range and boasts an LED light source, maintenance free operation, Wi-Fi connectivity and PC-free access to multimedia content.
